

WELCOME!

Reminder

FOSDEM

- We lost volunteers and muscle memory during the pandemic
- We largely managed to run 2023 smoothly
- 2024 should be much better, but stuff might still break

2024

Please volunteer!

- Sign up at <https://volunteers.fosdem.org/>
- As is tradition: If you help clean up Sunday evening
 - Keep all network cable you remove under staff guidance
 - Dinner for all teardown volunteers on Sunday night starting between 22:00 to 24:00

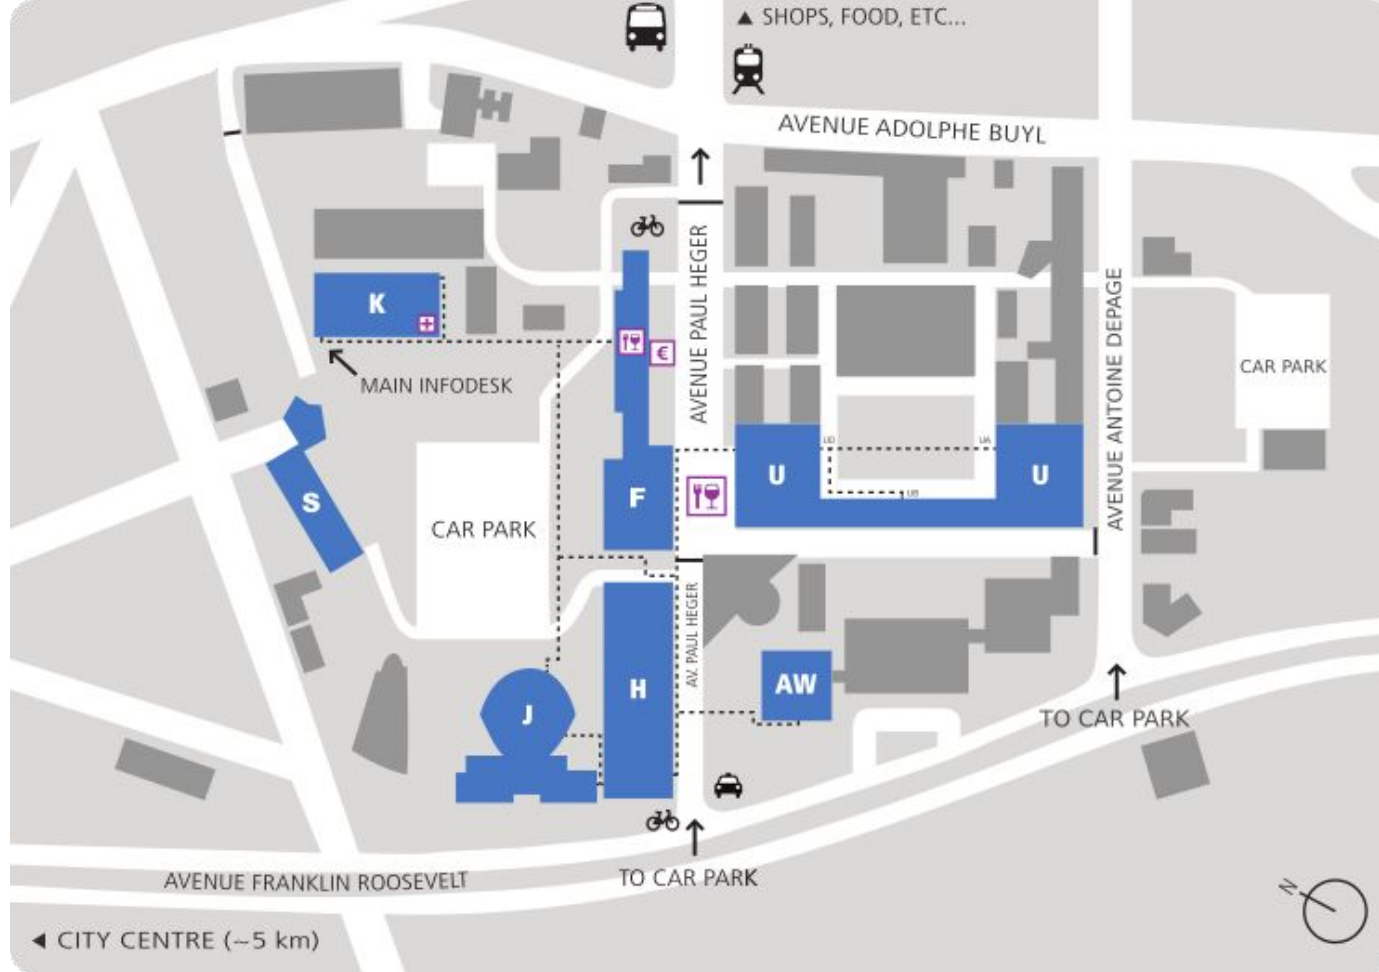

If you need help / who does what
