A banner image for the FOSSASIA Codeheat 2019 event. It features three people (two men and one woman) sitting at a table, working on laptops. The man on the left is wearing a white t-shirt and glasses, gesturing with his hand. The man in the middle is wearing a red shirt and glasses, looking at a laptop. The woman on the right is wearing a black top and glasses, also looking at a laptop. The table is cluttered with various items, including a water bottle, a camera, and a laptop with a colorful sticker. The background is a blurred indoor setting. The text 'foss asia' is prominently displayed in the center, with 'CODEHEAT RUNS FROM SEPTEMBER 10TH, 2018 TO FEBRUARY 1ST, 2019' and '{In the Heat of the Code}' below it. At the bottom, there are two buttons: 'Register for Code Heat' and 'Learn More'.
